### Telephone Conversation with a Five-Year Old

Do you have a tv in your room? No

Do you have a phone? No

Do you have a shower? No

Do your windows open? No

Do you have a toilet? Yes

Do you have a toothbrush? Yes

Do you have a pillow? Yes

Do you have a blanket? Yes

What do you do all day?

(silence)

Who cooks for you?

(silence)

Where do you wash your clothes?

(silence)

How many people are there?

(silence)

If the police don't let you come home

Can we come and live with you?

(silent tears)
